Implementation plan Finished

	-Culture and Wellbeing Weeks at Laurea Tikkurila
Study material	Will be found in Optima.
Tutoring and communication	Individual and group tutoring sessions.
Evaluation criteria and methods	The course evaluation is based on the following: Culture and Wellbeing Week planning and attendanceClass participationWritten report: "What kind of cross-cultural and multiprofessional expertise is required in my field of studies in the future"
Project (name)	Culture and Wellbeing Week 20.11. - 24.11.2017 (week 47)
R&D methods	Student will be able to ablyto gain experience of Multisensory Method to promote interaction and dialogue between people from different cultural groups and generations. Multisensory space in Tikkurila Laurea provides shared experiences for all the senses. Its principle idea is to promote learning, the encounters between different people and different cultures and enhance well-being. The space is not supposed to be an exhibition but a place where people can meet each other while the environment acts as an inspiration for discussion and thoughts. Not only the space itself but the whole process of planning and building it with different kinds of persons is an essential part of the multisensory method.
Work strain	The schedule will be provided later.
