TOTEUTUSSUUNNITELMA Valmis

	successful digital media agencies based in Helsinki: <u>Ville Tolvanen</u> (Founder of Digitalist Network), <u>Jari Lähdevuori</u> (Kurio), <u>Jyri Rasinmäki</u> (Vapa Media), <u>Pekka Räsänen</u> (Seed Digital Media) and <u>Terhi Aho</u> (Tulos). These experts you will meet through the various video interviews produced exclusively for this course.
Oppimateriaali	The learning material will be provided in the learning environment
Ohjaus ja viestintä	
Arviointikriteerit ja arviointimenetelmät	Each assignment will be graded separately. There are pass/fail assignments and assignments that are graded. Detailed information on evaluation will be provided in the learning platform.
Projekti/hanke (nimi)	Through the learning project you will be applying the theoretical framework into practice by analysing the online presence of a selected company and by making a proposal for its content strategy. The company may be located anywhere as long as you can get enough information about it to carry out the task. It is not necessary to contact the company during this project but you may also choose to do so.
Käytettävät T&K menetelmät	The course will be carried out in an online learningplatform "Eliademy". You will receive invitation to this platform latest on Monday, October 3rd, 2016.
Muut toteutusjärjestelyt	This course is in English. There are some materials/videos in Finnish but they are not crucial to the learning objectives. The use of Finnish for communicating is forbidden unless you have a good justification to do so. All enrolled students will receive a link and instructions to access the learning platform. There will be a briefing meeting for the course in the net(a webinar), taking place on 5th of October , 9:00 - 10:00 am. All enrolled students will receive an invitation to this webinar after the course starts. During the course there will be two other webinar tutorials. The full schedule of the webinars will be provided in the learning platform.
