arviointimenetelmät	on each topic and team report. 1. Our Earth, individual work, Pass/Fail 2. Social Responsibility, individual work, Pass/Fail 3. Economic Responsibility, individual work, Pass/Fail 4. CSR Report, team work (40%), grade 1-5 5. Learning diary, individual work (60%), grade 1-5 Your individual assignments will be taken into consideration when calculating your final grade. All individual assignments (1-3) must be completed before you are assigned to a team for the CSR report (4). All these parts must be completed before the final grade is given. The final grade is lowered by at least 0.5 if any work is submitted late. Please note that active discussion is required during the discussion weeks. If you fail to take part in any discussions, you are required to write a summary of that week's discussion.
Projekti/hanke (nimi)	Corporate social responsibility knowledge will be applied in own business field (team work).
Käytettävät T&K menetelmät	An interview (in team work)
Opiskelijan työmäärän jakautuminen	Weekly working on-line. Work load is divided so that student has to complete each week some task, after passing a task it is possible to progress. Later during the studies students will work as a team. 5 credits: 5 x 27 hours = 135 hours 12 weeks --> 10-12 working hours/ task (=week)
Muut toteutusjärjestelyt	On-line studies beginning on week 6, no contact lessons. Be sure that you follow the timetable, logic of the course is based on cumulative thinking (it means also that all the previous tasks should be completed before you can join the next ones). If student can't follow given timetable, he/she will be removed from course.
