	Optima is used for formal information and material sharing. Other means of communication will be agreed by the learning community commonly in the beginning of the study unit.
Arviointikriteerit ja arviointimenetelmät	Overall course assessment: 5 excellent - 0 Fail All exercises have to be accomplished in order to get credits and pass the course. https://live.laurea.fi/en/for_students/execution_of_studies/evaluation_competence/evaluation_of_assignment: All assignments should be submitted into Optima returnbox (individual or personal). Late returns have an impact on grading: - 1 week late: minus one grade - 1,5 weeks late: minus two grades - 2 weeks late: minus three grades On expert lecturer days and possible assignment presentation days students are expected to be present. In general the students are expected to be present at least on 2/3 of contact days. Attendance has an effect on the final grading.
Muut toteutusjärjestelyt	Start of the Study Unit is on Tuesday 31.1. 2016 at 12.30hrs - 15.00hrs in Leppävaara. Attendance on this Contact Day is mandatory. By being present at this first contact session the student is ensuring his/hers seat on the course. After the first contact day no new students are accepted on the course. A detailed implementation plan with learning events will be published on the first Contact Day during the class and will be published also in Optima-workspace. Changes to preliminary program are possible, but the students will be notified when necessary. Verifying the participation on the first meeting Students must be present at the first contact session or report their absence to the teacher in charge. If the absence has not been reported, another student may be enrolled in the study unit in place of the absent student. In case of cancellation or no show the status is changed to rejected If the student cancels his/her registration in the implementation or is absent in the first contact session without reporting it (so called no show students) the state of the student's enrolment is shifted from accepted into rejected state. https://intra.laurea.fi/en/education/implementingeducation/acceptance/Pages/default.aspx
