Type	EMPOWERING NURSING CARE (G114)
Groups	Primary: SNG214SN Others :
Involved in the project	
Lecturers	
Number of participants	Minimum: Maximum:
Enrolment period	15.05.2016 08:00 - 02.06.2016
Main timing for implementation	On working days during daytime
Applicability	For exchange students: No For elective studies: No Open UAS student: No Suitable for virtual UAS: No
Teachers	Haapa Sari (Other teacher), Tamankag Emmaculate (Other teacher)
Campus	Laurea Otaniemi
Main location for implementation	At work place or work placement place
Implementation method	Optima realization/student group, Other method of implementation Language: English Virtuality: 0 cr Integration of R&D: 2 cr
Implementation class	LbD supporting knowledge and skills development
Focus areas	Expertise in nursing and coping at home
Evaluation at the latest	22.01.2017 Storing of graded material ends.: 22.12.2017
Exam days	
Having completed the study unit the student is able to	The student is able to plan, implement and evaluate nursing promoting the empowerment of the client.
Previous studies	
Previous studies, more information	- Student must have completed all basic practice placements in the following nursing environments Geriatrics, Medical, Surgical, Home care, Psychiatric and Pediatric placement. - Student must have passed intensive medication calculation prior to start of placement. - Note that if any of the above has not been fulfilled, then your placement will need to be cancelled at least 2 weeks before the start of practice placement.
Tutoring and communication	Practice placement guide and learning contract are found the group's optima workspace under the PRACTICE folder. Student will have a named teacher-facilitator to whom the student should return his/her practice goals by the end of the first week of of practiceplacement via e-mail. The goals need to be written on the learning contract. The Teacher-facilitator will visit the student at least once during the 10 weeks of practice. Each student will be assigned at least one placement tutor during practice placement. The tutor will evaluate the student's performance on the basis of the objectives that the student has written and will give the teacher-facilitator a recommendation of PASS / FAIL of the practice placement.
Evaluation criteria and methods	- Practice placement is evaluated as PASS / FAIL / Re-do - Check the link for the evaluation criteria
Other arrangements	Attendance during practice placement info and reflection is compulsory. Those absent from either of these sessions will have to make up for the hours in the units. The student will also give study unit feedback on day of reflection, which is immediately after the end of practice. Practice placement assignment should be done according to the instructions given by the teacher-facilitator. At the end of practice, the student should upload the signed learning contract to his/her ePortfolio
