Edeltävät opinnot	
Osaamistavoitteet	Competence aims and evaluation criteria are directly linked to the Common European Framework for languages. Many workplaces require English skills of at least a B2.1 level according to the above framework (a more detailed evaluation criteria can be found from the Optima platform for this course). This is equivalent to a grade 3 according to the grading system in this course. A student should be able to • communicate in workplace and academic situations • reflect on own communication skills • understand the basics of constructive communication • use field-related vocabulary
Keskeinen sisältö	This course is partly implemented through a virtual game called International Social Worker of the Year and face-to-face contact lessons. The following competence areas are • Communication skills needed for the workplace including presentations, describing services, interviewing skills, reflective skills • Constructive communication (nonviolent communication) • Intercultural competences • Field-specific vocabulary and understanding • Career development: Job applications; LinkedIn development or CV creation
Arviointikriteerit ja arviointimenetelmät	• Evaluation includes both a written and oral demonstration of skills, which are graded 0-5 • Both of the above skills demonstrations need to be accepted to pass the course

**TOTEUTUSSUUNNITELMA Valmis**

	• As this is a communications course, compulsory attendance during the whole course is expected • Various assignments will also be given during the course which also need to be completed to pass the course. • The final grade from the course will be given based on the aforementioned criteria as a grade between 0-5. The final grade which will be seen on the student's certificate is made up of 50% from the oral evaluation and 50% from the written evaluation.
Muut toteutusjärjestelyt	As mentioned above this course is based on a virtual game called International Social Worker of the Year in the game platform Seppo. Assignments are in the game which will be played in teams. Supporting material is provided in lectures. You will require a mobile device: phone, pad or laptop to participate. Also constructive communication (nonviolent communication) will be taught as a professional and personal communication method to facilitate self-development.
