Opintojakson suoritettuaan opiskelija osaa	The student is able to • communicate as a professional in field specific tasks • speak and write English with the understanding of the appropriate style and register • identify personal developmental needs in communication and language skills and develop realistic strategies for improvement • search for information from professional publications and databases
Edeltävät opinnot	
Osaamistavoitteet	Competence aims and evaluation criteria are directly linked to the Common European Framework for languages. Many workplaces require English skills of at least a B2.1 level according to the above framework (a more detailed evaluation criteria, which is directly linked to the Laurea's grading scale, can be found from the Optima platform for this course). This is equivalent to a grade 3 according to the Laurea grading system in this course. A student should be able to • communicate orally in workplace and academic related dialogues • produce workplace and study related texts • use field related vocabulary • be aware of field-related intercultural influences and possibilities
Keskeinen sisältö	This course is partly implemented through a virtual game called International Social Worker of the Year and face-to-face contact lessons. The following competence areas are • Oral communication skills needed for the workplace: presentations; describing services; interviewing skills; • Constructive communication (nonviolent communication) • Written skills necessary for the workplace • Intercultural competences • Field-specific vocabulary and understanding • Career development: Job applications; LinkedIn development or CV creation
Arviointikriteerit ja	• Evaluation includes both a written and oral demonstration of skills, which are

The final grade which will be seen on the student's certificate is made up of 50% from the oral evaluation and 50% from the written evaluation.
Muut toteutusjärjestelyt	As mentioned above this course is based on a virtual game called International Social Worker of the Year in the game platform Seppo. Assignments are in the game which will be played in teams. Supporting material is provided in lectures. You will require a mobile device: phone, pad or laptop to participate. However, as the game is in teams one device per team is sufficient. Also Constructive communication (nonviolent communication) will be taught as a professional and personal communication method and to facilitate self-development.
