Implementation plan Finished

	week of the practical placement via e-mail. The goals/ objectives need to be written on the learning contract (arviointilomake). On the learning contract is the information of the assessment of the practical placement. Each student should have a nurse mentor named for the practice on the practical placement. This nurse-mentor will evaluate the student's performance against the objectives that the student has written and will give the teacher-facilitator a recommendation of PASS / FAIL of the practice placement.
