

Implementation plan Finished

Study unit	Intercultural Communication Competences in Multicultural Nursing Environments (R0228), 5.0
Implementation	SNV1621: 2/2016-2017 (09.01.2017 - 09.03.2017)
Type	SAFE AND ETHICAL PROMOTION OF HEALTH AND WELFARE (R017)
Groups	Primary: SNV216SN Others :
Involved in the project	
Lecturers	Lloyd Bethell and Emmaculate Tamankag
Number of participants	Minimum: 20 Maximum: 40
Enrolment period	28.11.2016 08:00 - 01.01.2017
Main timing for implementation	
Applicability	For exchange students: Yes For elective studies: No Open UAS student: No Suitable for virtual UAS: Yes
Teachers	Bethell Lloyd (Teacher in charge), Mulder Riikka (Other teacher), Tamankag Emmaculate (Other teacher)
Campus	Laurea Tikkurila
Main location for implementation	At the campus
Implementation method	Optima realization/student group Language: English Virtuality: 1 cr Integration of R&D: 0 cr
Implementation class	LbD supporting knowledge and skills development
Focus areas	
Evaluation at the latest	09.04.2017 Storing of graded material ends.: 20.06.2018
Exam days	Real: 9.3 Re-exams: 16.03.2017, 20.04.2017, 18.05.2017, 08.06.2017
Having completed the study unit the student is able to	
Previous studies	
Previous studies, more information	Open University Students who wish to enroll and participate this study unit must have completed Laurea UAS studies: • R0057 The Basics of Nursing Care 5cr • R0072 The Basic Nursing Interventions 5cr • R0073 The Basic Nursing Intervention, Clinical Studies 10cr
Learning objectives	Learning objectives and evaluation criteria are directly linked to the Common European Framework for languages. Many workplaces require English skills of at least a B2.1 level according to the above framework which is equivalent to a grade 3 according to the Laurea grading system (a more detailed evaluation criteria, which is directly linked to the Laurea's grading scale, can be found from the Optima platform for this course). A student is able to • be aware of field-related intercultural influences and possibilities • demonstrate professional English oral and written communication competences at a minimum B2 level in accordance with the Common European Framework of Reference for Languages • utilise constructive and empathetic dialogue in multicultural encounters • implement health promotion concepts for infectious diseases in multicultural situations
Contents	• Health promotion concepts and infectious diseases prevention and control from multicultural aspects • Oral communication skills needed for the workplace • Written skills necessary for the workplace
Study material	Health Promotion for Nurses , Theory and Practice by Steward Piper (Available in our online databases. LibGuides)

Implementation plan Finished

	• European center for disease prevention and control : http://ecdc.europa.eu/en/healthtopics/Pages/AZIndex.aspx • all other material is available in Optima
Evaluation criteria and methods	• Evaluation includes both a written and oral demonstration of skills which are graded 0-5 based on the Common European Framework for languages as mentioned above. • Both of the above skills demonstrations need to be accepted to pass the course • There are four compulsory assignments during the course (which include the oral demonstration) which also need to be completed to pass the course. The written report will be graded 0-5 as will the oral demonstration. • Various non-compulsory assignments will also be given during the course to support learning • The final grade from the course will be given based on the aforementioned criteria as a grade between 0-5. The final grade which will be seen on the student's certificate is made up of 50% from the oral evaluation and 50% from the written evaluation. • Personal feedback will be given on the written assignment and the oral demonstration.
Other arrangements	Compulsory attendance and active participation in all lessons
