Tutoring and communication	
Evaluation criteria and methods	The course assessment consists of three equally important parts: • A learning diary as an individual report of the course. The diary will be evaluated on a scale 1-5 grade 5 being excellent. In regard to the diary mandatory attendance to the contact lessons is 80 %. • A test consisting of reading comprehension and vocabulary tasks. The test will be evaluated on a scale 1-5. • An oral presentation of a professional theme prepared in pairs. The presenters will get feedback of their work both from the fellow students and the teacher(s). The presentation will be evaluated: Accepted - Not accepted - Completed.
R&D methods	
Work strain	The work load for the student is as follows: • contact lessons and related homework 55 h (2 cr) • information retrieval and composition of the oral presentation 40 h (1,5 cr) • learning diary 40 h (1,5 cr)
Other arrangements
