Toteutusluokka	
Painoalat	
Arviointi viimeistään	22.01.2018 Suoritusmateriaalin arkistointi päättyy: 22.12.2018
Tenttipäivät	
Opintojakson suoritettuaan opiskelija osaa	• perceive international differences in the Correctional Services field • participate in multicultural teamwork • communicate on professional themes using various channels • express personal and professional development
Edeltävät opinnot	
Edeltävät opinnot, lisätietoja	This module is open to primarily correctional services students; however, the topic may interest social services students too. So both degree programmes are eligible to enrol. A total of 15 students will be accepted into this module. Duration 6 weeks. Starting week 42 (week beginning 16th October)
Osaamistavoitteet	• Is familiar with the various national and international legal acts on regulating crime control • Is able to compare different international approaches to penal systems • Understands the meaning of the multiculturalism in criminality and crime control • Is able to work as an active team member in a multicultural team
Keskeinen sisältö	This is an international virtual course with the University of West Scotland and the The Estonian Academy of Security Sciences. 1. Students will initially create country-specific material on one of the following topics: • Crime Control • Rehabilitation & Re-integration • Criminal Justice Policy • Contemporary trends in criminal justice • Prison The topics will be allocated prior to the course and are liable to change slightly. 2. Multicultural teams will be formed to analyse the theme-specific material and develop cross-cultural studies comparing and contrasting the systems. A report and/or video will be created by each team. 3. Groups will then review and give feedback on at least two other topics. In addition, individually students would have to study at least 4 topics and write a final synopsis of the topics and teamwork experiences.
Oppimateriaali	Students conduct research and find relevant literature from data bases and other
